Certificate of Appreciation for the Quality of MECH Firefighting Equipment

To Whom It May Concern,

We, **Ali Bin Ali Hospital** are honored to present this letter as a recommendation for **Future Mechanics Trading Company** (مستقبل الميكانيكا للتجارة), based on our fruitful experience with them.

We hereby confirm that products from the **MECH** brand, owned by **Jinan Meide Casting Co., Ltd**, have been installed in our project, **Ali Bin Ali Hospital** on **2014**. The installed materials include:

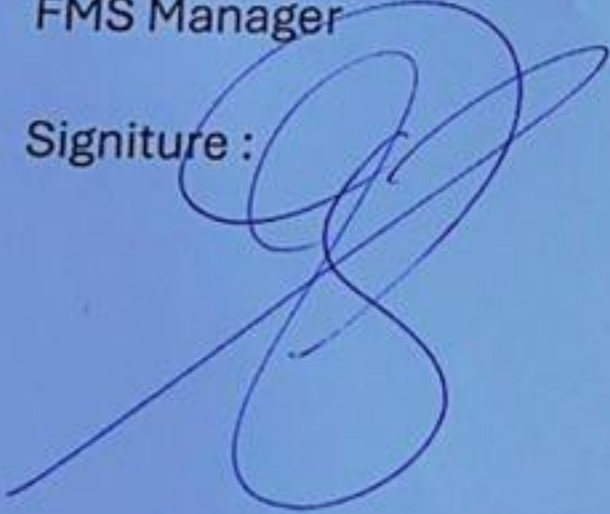

- **MECH** Grooved Fittings.
- **MECH** MI Threaded Fittings.
- **MECH** Ductile Iron Valves.

We would like to emphasize that all materials have been successfully installed and operated without any technical or operational issues since their installation. The quality and efficiency of the products reflect the commitment of Future Mechanics Trading Company to the highest standards of quality and reliability.
